

UNITED STATES OF AMERICA  
FEDERAL ENERGY REGULATORY COMMISSION

Market-Based Rates For Public Utilities

Docket No. RM04-7-000

SECOND SUPPLEMENTAL NOTICE OF AGENDA FOR TECHNICAL  
CONFERENCE

(December 3, 2004)

The attachment to this supplemental notice provides additional information concerning the technical conference to discuss issues associated with the rulemaking proceeding on market-based rates that is scheduled for December 7, 2004 from 9:30 a.m. to 5:00 p.m. (EST) in the Commission Meeting Room at the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, D.C. All interested persons are invited to attend. Microphones will be available to enable those in the audience to participate in the discussion as issues arise. Members of the Commission will participate in the conference.

The conference will be transcribed. Those interested in acquiring the transcript should contact Ace Reporters at 202-347-3700 or 800-336-6646. Transcripts will be placed in the public record ten days after the Commission receives the transcripts. Additionally, Capitol Connection offers the opportunity for remote listening and viewing of the conference. It is available for a fee, live over the Internet, by phone or via satellite. Persons interested in receiving the broadcast, or who need information on making arrangements, should contact David Reininger or Julia Morelli at Capitol Connection (703-993-3100) as soon as possible or visit the Capitol Connection website at <http://www.capitolconnection.org> and click on "FERC."

For more information about the conference, please contact Kelly Perl at 202-502-6421 or [Kelly.Pperl@ferc.gov](mailto:Kelly.Pperl@ferc.gov)

Magalie R. Salas  
Secretary
